## DECLARATION

We hereby declare that our institution Vidya Jyoti Academy, Bijanbari has applied for the renewal and extension of our fire certificate in accordance with the regulations stipulated by the relevant authorities.

However, despite our proactive efforts and timely submission of all required documents, we have encountered an unforeseen delay in obtaining the renewed fire certificate. This delay is primarily attributed to server issues on the fire server of the concerned authority.

We have diligently followed up with the appropriate channels to expedite the process, unfortunately, due to the technical difficulties beyond our control, the concerned authority has been unable to provide us with the renewed fire certificate by the expected date.

We are actively working to obtain the renewed fire certificate of our institution and will update it on our school website as soon as we get the certificate.

Thank you for your attention to this matter.
